CROCHET AS TELEVISION SUPPLEMENT

I am a television addict. OK, maybe that's not the best metaphor—it's not like I jones for a TV fix if I go without for a few days. But I am a child of the '80s and a lover of pop culture. I can wow people with well-timed invocations of the ire of Alex P. Keaton and the dialect of Balki Bartokomous. I'm ashamed to admit the number of rooms I've cleared with my heartfelt rendition of the *Golden Girls* theme song.

It's no coincidence my hobby of choice is so tube-friendly. Though I follow only a few shows closely, I do have a long list of programs I feel compelled to keep tabs on. Too many weeks of *American Idol* dull my senses, but an occasional viewing makes for some quick stitching. *America's Next Top Model* is fascinating in so many ways that it boggles the mind; I crochet during the episodes I do catch so I don't feel as though I'm completely wasting my time. *Grey's Anatomy*, *House*, *ER*: Whether I watch out of habit or unexplored hypochondria, these shows do keep my digits busy. In sum, crocheting and knitting enable me to rationalize my enjoyment of vacuous television.

CROCHET AS PODCAST SUPPLEMENT

I once had a roommate who was a school psychologist. After an evening spent doing our nails and watching reruns of *90210*, she zeroed in on my twitchiness and inability to complete a full thought. Whipping out her textbook on disorder diagnoses, she told me it was a wonder I could get through life without medication for ADD. My anti-drug: pod-

casts, which help me focus on the tasks at hand. Crocheting and audio entertainment are as beautiful a match as *That 70s Show*'s Forman and Donna, *The O.C.*'s Seth Cohen and Captain Oats, *The Daily Show*'s Jon Stewart and Stephen Colbert.

If you're new to podcasts, here's the lowdown: They are MP3 audio files you listen to just as you would any music you download. You don't need an iPod; you can listen on your computer, on any MP3 player or on fancy cell phones. Craftcentric podcasts tend to focus on interviews, project tutorials, news about what's up in the crafts world, reviews of books and products. They're like

blogs, but with the bonus of portability and the intimacy of hearing a real voice. With the coming ubiquity of video-enabled devices, look for more video podcasts and Webisodes to keep your mind active and your sticks clicking.

Check out the Podcasts section of iTunes and search for "crochet," "knitting" or "crafts." If you don't have iTunes, download a podcast aggregator (see www.podcastalley.com/forum/links.php). Podcast Alley has a searchable listing of shows and encourages listeners to vote on their faves so you know what's hot and what's not (www.podcastalley.com).

CROCHET AS SOCIAL SUPPLEMENT

Just as The Buggles lamented that "video killed the radio star," Luddites and curmudgeons maintain that TV undermines

Far from dumbing down your day, TV and podcasts, when mixed with stitchcraft, elevate mind and mood.

our social fitness. Although we all know the person who was so broken up by the series finale of *Friends* that she called in sick the next day, I think TV is, socially, all well and good. In fact, the excuse to get together to watch an episode of *Felicity* or *The X-Files* has helped keep me in touch with numerous friends over the years. And just as sitting in front of the tube doesn't have to be solitary and mind-deadening, our fiber hobbies don't have to be enjoyed in a vacuum.

technical difficulties

by Leigh Witchel

Has a mistake of mysterious origin made a WIP seem like Mission Impossible? Here's a sampling of what can go wrong—and ways to Get Smart and make them right.

If you can distract her long enough, rummage through a friend's closet. Dig down. Deeper. There it is: an unfinished knitting project, needles still in it. Look again and you'll spot the mistake—the hole or the ladder or the misshapen sleeve—that caused the whole thing to be abandoned.

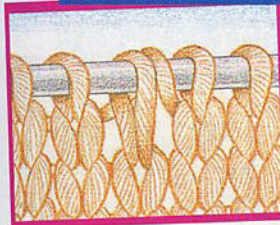

Nothing is more frustrating than finding a mistake in your project—except, perhaps, not knowing how to fix it. Fear not. Knitting isn't racecar driving; your mistakes don't happen at high speed. Here are a few problems everyone, from beginner to advanced, encounters at one time or another. **Incomplete stitches.** You wrapped the yarn around the needle but didn't pull it through the stitch to make a new one. Beginning knitters are prone to making this error because they don't yet recognize what correct stitches look and feel like. You can fix it easily on the next row

by pulling the extra yarn through the loop to re-form the stitch as shown in the illustration.

Malformed stitches. You made the stitch incorrectly by: splitting it (you knit into only some of the plies of yarn); twisting it (you knit into the wrong side of the stitch, causing it to twist); purling instead of knitting.

A split stitch usually has a ply of the yarn dangling free like an extra stitch. Catch this early or you may accidentally knit this ply as an extra stitch and compound the error. An **untwisted stitch** lies on the needle with the left half of the stitch behind the needle and the right in front. If it lies the other way and you are knitting normally, you'll twist the stitch when you knit it. An untwisted knit stitch looks like a small V; a twisted stitch looks like a small X. In some patterns it's barely noticeable, but in **stockinette stitch**, a single twisted stitch sticks out like a

INCOMPLETE KNIT AND PURL STITCHES

An incomplete knit or purl stitch is one where the yarn is wrapped around the needle but not pulled through the stitch. The illustration above shows an incomplete stitch from the previous row.

Work to the incomplete stitch. Insert the right needle from back to front into the stitch on the left needle and pull it over the strand and off the needle.

This illustration shows an incomplete stitch from the previous knit row.

Insert the right needle into the stitch on the left needle and pull it over the strand and off the needle.

TWISTED STITCHES—KNIT AND PURL

A twisted or backward stitch is created either by wrapping the yarn incorrectly on the previous row or by dropping a stitch and returning it to the needle backward.

To correct the backward knit stitch, knit it through the back loop.

A backward purl stitch looks different from a regular purl stitch in that the back loop is nearer the tip of the needle than the front loop.

To correct the backward purl stitch, purl it through the back loop.

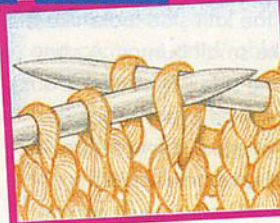

PICKING UP A DROPPED KNIT STITCH

This method is used when a knit stitch has dropped only one row. Work to where the stitch was dropped. Be sure that the loose strand is behind the dropped stitch.

Insert the right needle from front to back into the dropped stitch and under the loose horizontal strand behind.

Insert the left needle from the back into the dropped stitch on the right needle and pull this stitch over the loose strand.

Transfer this newly made stitch back to the left needle by inserting the left needle from front to back into the stitch and slipping it off the right needle.

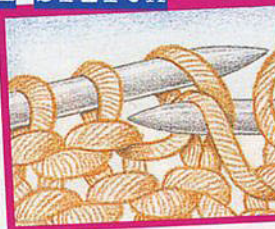

PICKING UP A DROPPED PURL STITCH

Used when a purl stitch has been dropped only one row. Work to the dropped purl stitch. Be sure that the loose horizontal strand is in front of the dropped stitch.

Insert the right needle from back to front into the dropped stitch, and then under the loose horizontal strand.

With the left needle, lift the dropped stitch over the horizontal strand and off the right needle.

Transfer the newly made purl stitch back to the left needle by inserting the left needle from front to back into the stitch and slipping it off the right needle.

PICKING UP A RUNNING KNIT AND PURL STITCH

A running stitch is one that's dropped more than one row. It's easiest to pick it up with a crochet hook. For a knit stitch, be sure the loose horizontal strands are in back of the dropped stitch.

Insert the hook into the stitch from front to back. Catch the first horizontal strand and pull it through. Continue up until you've worked all the strands. Place the newest stitch on the left needle, making sure it's not backward.

Before picking up a dropped purl stitch several rows below, be sure that the loose horizontal strands are in front of the stitch.

Insert the hook into the stitch from back to front. Pull the loose strand through the stitch. Continue up until you've worked all the strands. Place the newest stitch on the left needle, making sure it's not backward.

sore thumb. In stockinette, the knit side looks like a series of Vs, the purl side like small bumps. A stray knit or purl stitch on the wrong side will also stick out.

All of these problems are fixed pretty much the same way. If you catch the mistake a few stitches afterwards, unknit back to the incorrect stitch and remake it. If you've gone farther, each can be fixed on the next row by correctly re-forming it. If several stitches are wrong, it's better to rip back. Twisted stitches don't even have to be re-formed; just knit into the back of the stitch to untwist them.

If you haven't caught the mistake until several rows later, you can still fix it. Work your pattern to the problem stitch and drop that off the needle. Carefully undo each stitch in the vertical column,

laddering down like a run in a stocking, until you get to the mistake. Undo that stitch as well and then, using a crochet hook, re-form the stitches up the ladder, as in the illustration above.

Forgetting to bring the yarn between the needles when changing from knit to purl. If you bring the yarn over rather than between the needles or leave it where it is, you'll put an extra wrap on the needle, like a buttonhole. This is super-easy to fix on the next row; just drop the wrap off the needle and it will disappear.

Dropping a stitch. If the dropped stitch isn't too many rows down, you can fix it by **laddering up**. If it is too far down, you have two options. If the yarn you're using hides mistakes, secure the

UNRAVELING STITCHES

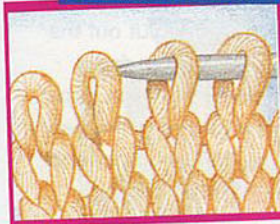

Keep the yarn at the back. Insert the left needle into the stitch one row below the stitch on the right needle. Drop the stitch and pull the yarn to undo it.

Keep the yarn at the front. Insert the left needle into the stitch one row below the stitch on the right needle. Drop the stitch and pull the yarn to undo it.

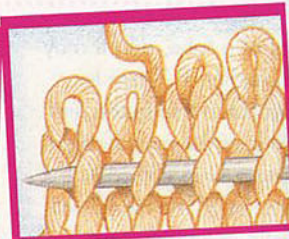

UNRAVELING ROWS

If you need to unravel one or more rows, you must put the stitches back onto the needle correctly. Make sure the working yarn is at the left side. Using a smaller needle, insert it from back to front into each stitch across the row.

To put purl stitches back on the needle after unraveling them, first make sure the working yarn is at the left side. Insert a smaller needle from front to back into each stitch across the row.

If you're concerned about dropping stitches, you can weave the right needle under the first loop and over the second loop of each knit stitch along the entire row. Pull the working yarn to unravel all the stitches above those on the needle.

You can also use this method with purl stitches. Insert the needle under the first loop and over the second loop of each purl stitch along the entire row. Pull the working yarn to unravel all the stitches.

dropped stitch with a safety pin. When you're darning in ends and doing other finishing, use spare yarn to secure the loose stitch, then neaten the hole with a duplicate stitch. If you're working in a plain yarn in a pattern that clearly shows the error, rip back.

Accidental decreases or increases.

As with a dropped stitch, if the knitting hides mistakes, you can fudge by **increasing** or **decreasing** back to the correct count; but first, search for the source of the error. Make sure it isn't something that can unravel. If it is, secure it at the end (as with a dropped stitch) or rip back. Again, if you're using yarn that shows mistakes, rip back.

Accidental short-rowing. You're cruising along with your knitting, and the phone rings.

Many knitting mistakes are actually advanced techniques.

Situation dealt with, you pick up your knitting and continue on. Problem is, you didn't finish the row; instead, you continued back the other way. Congratulations: You've done a **short row**. A piece of knitting with a short row in it will have one side longer than the other, and there will usually be a hole where you turned around. The bad news is, this mistake can only be fixed by ripping back.

ADVANCED MISTAKE MAKING

The Accidental Möbius. If you're **working in the round**, check carefully before you join the round that all the stitches are aligned without twisting (I make sure that my cast-on edge is at the bottom of the needles). If you leave in a twist, you will make

TIP BOX AN EXTRA STITCH AT THE EDGE

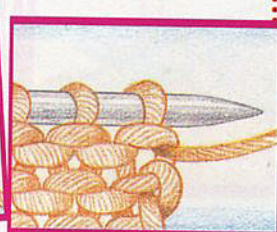

If you bring the yarn back over the top of the needle at the beginning of the knit row, the first stitch will have two loops instead of one, as shown.

To avoid creating this extra stitch, keep the yarn under the needle when taking it to the back to knit the first stitch.

At the beginning of a purl row, if the yarn is at the back, and then is brought to the front under the needle, the first stitch will have two loops instead of one, as shown.

To avoid making these two loops, the yarn should be at the front before you purl the first stitch.

a sort of Möbius strip instead of a tube, and it may take several rows before you realize it. There is a quick and dirty fudge if you catch this in the first round or two: At the beginning of the round, align the knitted tube correctly—the running threads between the last and first stitches of the round will become twisted instead. Continue knitting and neaten that small area with the yarn tail when darning it in. If you notice the twist after a few rounds of knitting, there is nothing you can do but rip it out.

Mistakes in cables or lace. If you forgot a yarn-over in a lace pattern, fix it on the next row by knitting into the “running” thread between the stitches forming the same sort of hole. You can even do this a row or two later (you’ll need to ladder up the stitch produced); after that it becomes difficult.

You can fix a crossed cable or section of lace done incorrectly with patience and double-pointed needles. Determine exactly which section is wrong. Work your knitting to that section, then drop the affected stitches off the needle and ladder those stitches down until the mistake is removed. Place the live stitches on a double-pointed needle (use the same size as your project needles). With a second dpn and using each ladder one at a time (be careful to use them in the correct order and not to skip any), re-knit the stitch pattern correctly.

Some mistakes don’t happen in the knitting.

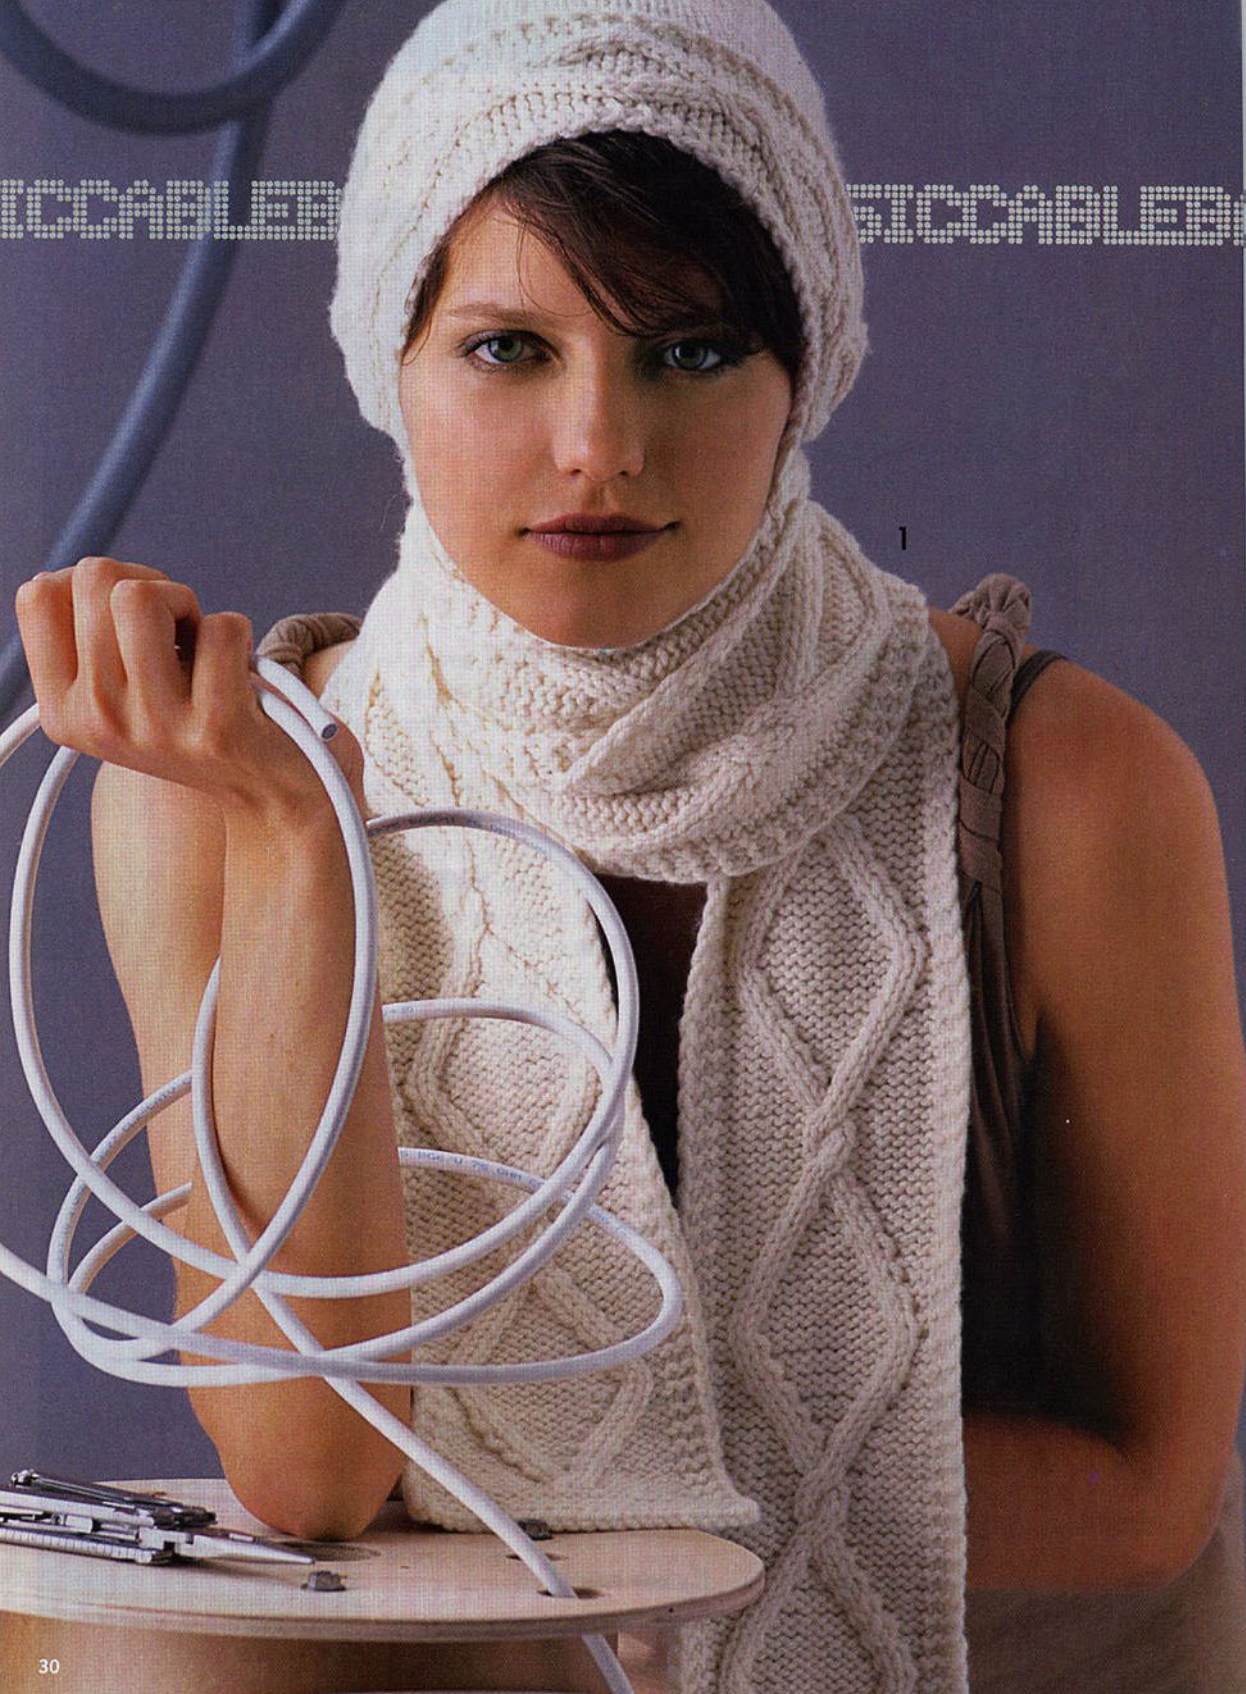

Frayed, weak or otherwise flawed yarn. If, while knitting, you come to a flaw, break

or stain in the yarn, break the yarn and cut out the flawed area. Treat the cut as if you had ended a ball and continue on with the new end. If you accidentally knit flawed yarn into the garment, the best solution is to rip back, but if you can’t stomach that, try duplicate-stitching over the affected area to cover and reinforce it.

Running out of yarn. The Mother of All Screwups. You’re halfway down the last sleeve and your LYS no longer has the yarn. When the hysteria subsides, start by doing an Internet search. Contact any store that mentions the yarn. Post an APB to online knitting groups. If you turn up the same yarn but a different dye lot, grab it anyway. Use the different dye lot for cuffs and borders; if you have to mix dye lots in the main area, work two rows each of the old dye lot and the new for a while to camouflage any potential color discrepancy.

If nothing turns up, use it as an opportunity to redesign. Make the garment with shorter sleeves or sleeveless, or with a crew neck instead of a cowl. Choose a contrasting color as a stripe or border. **The % &*\$!! thing doesn’t fit!** The only mistake that’s worse than running out of yarn. Take a deep breath: You may need to rip. Regard it as necessary to achieve a perfect-fitting garment; tell yourself that the hours spent reknitting will reward you with a sweater you can wear proudly for years to come. Crying towels will be provided.

Some fit issues don’t require ripping. If the garment is too wide, you (continued on page 108)

Ruffles

There's a trick to working with "Ruffles": Poke your RH needle into the mesh tape at even intervals, catching only a small piece of the fabric. The RH needle may be inserted through the tape from front to back or from back to front, whichever you find easiest.

1. PURL ON RIGHT SIDE

To work a basic ruffle on the RS, hold "Ruffles" tape yarn to front of work. *With RS facing, insert RH needle purlwise through next st on LH needle, then into the tape $\frac{1}{8}$ "/3mm from top edge. Pull this tiny loop of tape toward back of work through the LH st, leaving most of the tape hanging at front to create ruffle. Repeat from *, working 1 st every inch across tape.

2. KNIT ON WRONG SIDE

To work on the WS, hold tape to back of work. *With WS facing, insert RH needle knitwise through next st on LH needle, then into the tape $\frac{1}{8}$ "/3mm from top edge. Pull this tiny loop toward front of work through LH st, leaving most of the tape hanging at back of work to create ruffle. Repeat from *, working 1 st every inch across tape.

3. WORK IN LOOSE ENDS

When starting or ending work with "Ruffles," fold back 3"/7.5cm at beg or end of row and keep the cut edge underneath. Work through both layers over the next 3 sts, catching cut end on third st, then continue with single layer.

4. FULL-TWIST RUFFLE

For a fuller ruffle, work several sts into top edge of tape as usual, then work several sts into bottom edge of tape. Alternate working into top and bottom edges of tape to twist several times across row.

5. HALF RUFFLE

To work smaller, more dense ruffles, insert needle into midpoint of tape.

6. TWO-SIDED RUFFLE

Double-sided ruffles are worked by knitting every row or purling every row. This creates a ruffle on both sides of the garment.

SEINFELT

No clothes for you! But Linda Cyr's felted checkerboard set—complete with game pieces and drawstring bag—is no joke. Crochet it in contrasting shades of "Lion Wool" and yadda, yadda, yadda, you're done. Invite your nemesis (hello, Newman) over for a friendly game. Giddy-up.

reruns

"Ain't we lucky we
got 'em: Good Times."

Heats you up like Tom Selleck did in his heyday (sigh). John Brinegar's scarf, done with "Wool-Ease Thick & Quick" in one long strip, is composed of seed-stitch panels separated by a quartet of I-cords, varying lengths of which trim the piece.

couch potatoes

Couch: the seated center of a home; the ideal perch from whence to knit and watch TV.

Potato: root vegetable; emits carbs and comfort galore. Put together, they describe one contented, oddly energetic knitter.

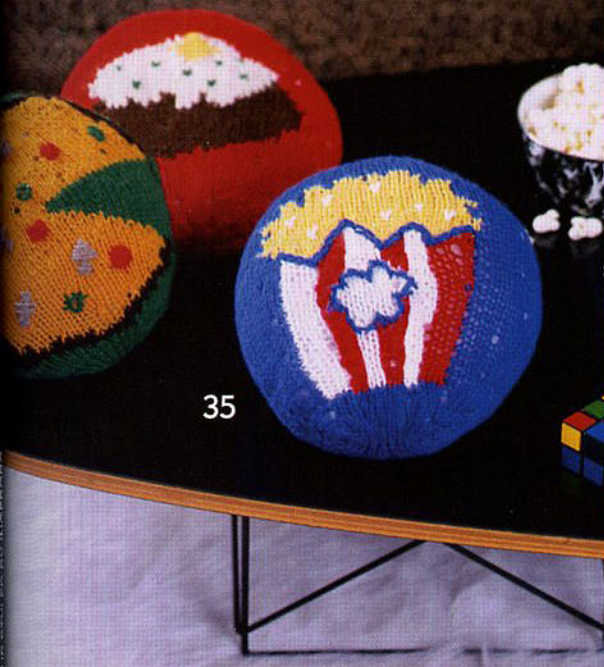

34

Keep those cathode-ray tubes burning bright. This TV-screen cover uses "Wool-Ease" for the log, "Festive Fur" for the flames and "Glitterspun" for the background. Kate Williams charted the fireplace icon; knit extra inches around the edges to fit your set.

The three P's of power-viewing parties—pizza, popcorn, potatoes—are celebrated on Kate Williams's circular pillows. They're made with "Wool-Ease," stuffed with fiberfill and decorated with intarsia and embroidery.

36

Vickie Howell gives you a place to stash that forever-misplaced clicker. Hang this remote caddy, in felted "Lion Wool," over the arm of a chair. Compartments are labeled with embroidered words telling you what goes where.

37

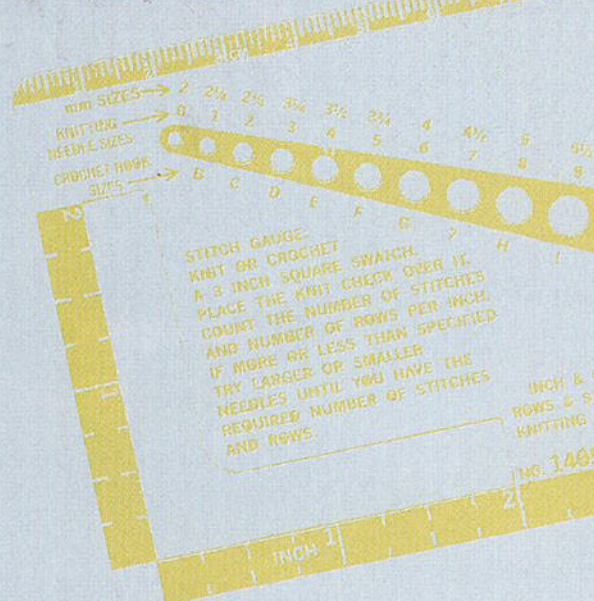

For cozy toesies, slip on Vickie Howell's felted slippers, cushioned in "Lion Wool" and dolled up with "Fancy Fur."

38

Supersize that snugly sensation: Melissa Matthay knit her oversized rib cowl sweater on Lion Brand's Speed Stix (U.S. size 50!) with one strand each of "Fettuccini" and "Jiffy" held together. All yarns from Lion Brand.

Knit. 101

gauge this Very important! The knitting gauge—the number of stitches and rows per inch—determines the size of the garment you are making. Every knitting pattern states the gauge, or “tension,” on which the sizing is based. For accurate results, we strongly recommend you test your knitting against this measurement before you start a project. The test swatch should be at least 4”/10cm square, using the yarn and needle size called for in the pattern. After creating the swatch, measure it with a ruler or knit gauge tool. If the number of stitches and rows does not match the pattern’s gauge, you must change your needle size. An easy rule to follow is: Larger needles equal fewer stitches to the inch; smaller needles equal more stitches to the inch. Try different needle sizes until you get the correct gauge. We know it’s a drag, but it’s well worth your time.

choosing a size Knitting a garment can take weeks, even months, to complete, so the last thing you want is to discover that the garment is two sizes too large (or worse, two sizes too small). To decide which size to make, measure a favorite sweater and use it as a guide. Choose the finished bust/chest measurement in the pattern that comes closest to your desired width.

sizing *Knit 1* provides instructions in the smallest size, with larger sizes given in parentheses. If there is only one number, it applies to all sizes.

measuring Lay the fabric out on a flat, smooth surface and, using a tape measure, take the measurement in the middle of a row. Determine the length of your work by measuring from the row below your needle to the bottom edge. When measuring the length of an armhole, don’t measure along the curve or slanted edges—this will provide inaccurate measurements. Measure the length in a straight line from the needle to the first armhole decrease.

blocking Blocking is to knitting what pressing is to sewing—a process that can really define your garment. Block or press garment pieces according to the instructions included in the pattern and on the yarn label. The best way to block is to pin the knit pieces to a padded surface (such as an ironing board), lightly dampen them and remove when dry. Never iron or steam knitted fabric directly.

yarn substitution Using the yarn specified in each pattern will give you the best results, but if you’re looking to use up some of your yarn stash, **you can substitute yarn by comparing your new yarn to the yarn strands shown on page 72.** And remember: Be sure to knit a gauge swatch with the substitute yarn to ensure that it matches the original gauge and has the same appearance.

skill levels

Super Easy

You can practically knit this blindfolded.

Easy

More complicated than your basic stockinette scarf, but less intimidating than a lace shawl. Basic stitches with minimal shaping and finishing.

Intermediate

Pay attention: You're sure to encounter slightly intricate stitches, shaping and finishing.

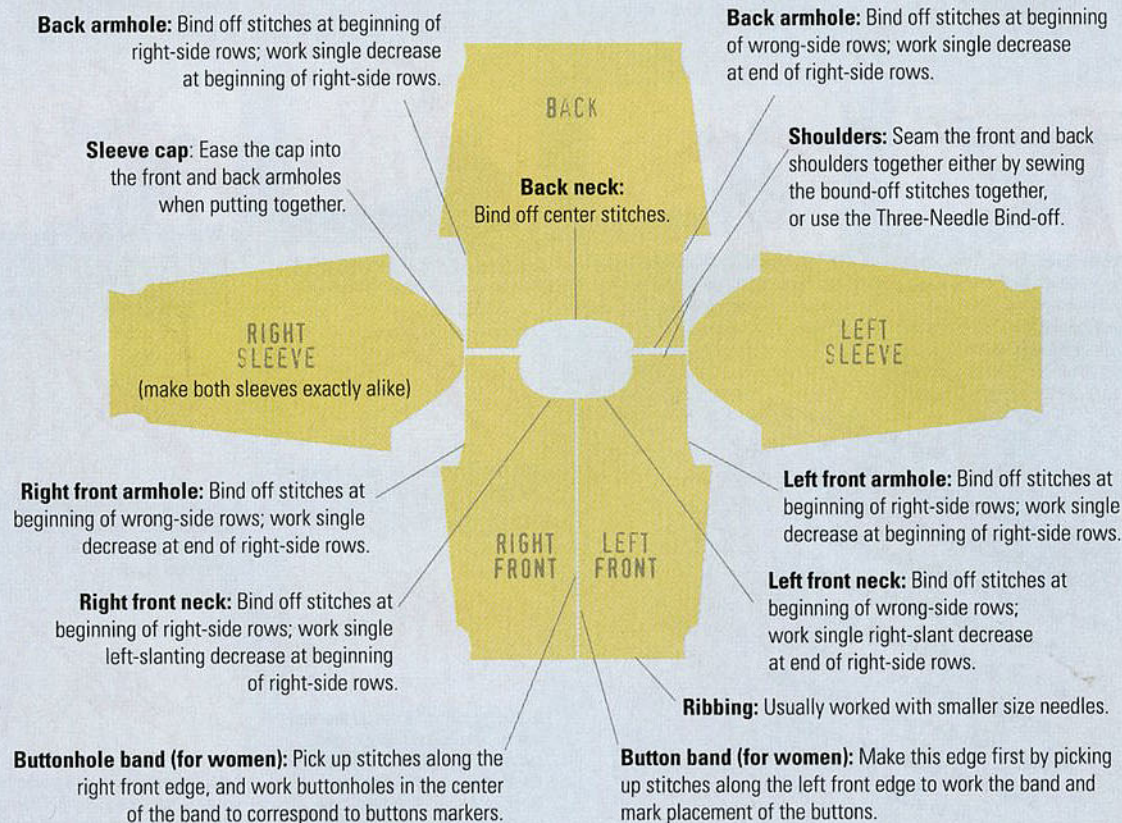

Advanced

We call this extreme knitting. Even the most discerning stitch mavens will break a sweat.

reading instructions

Even the most experienced knitters should read through the entire set of instructions before starting to knit. Once you've built momentum, you won't want to stop stitching to look up something you don't know. Circle the information for your size and look up unfamiliar terms before you start. Study the schematics for measurements and shapes of the pieces and determine if you want to make any changes. If you make alterations, be sure to adjust the yarn amounts accordingly.

slip knot

"long tail" cast on

knit stitch

purl stitch

1 Hold the short end of the yarn in your palm with your thumb. Wrap the yarn twice around the index and middle fingers.

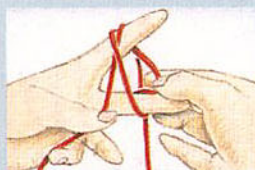

1 Make a slip knot on the right needle, leaving a long tail. Wind the tail end around your left thumb, front to back. Wrap the yarn from the ball over your left index finger and secure the ends in your palm.

1 Hold the needle with the cast-on stitches in your left hand. Hold the working needle in your right hand, wrapping the yarn around your fingers.

1 As with the knit stitch, hold the working needle in your right hand and the needle with stitches in your left. The yarn is held and manipulated with your right hand and is kept to the front of the work.

2 Pull the strand attached to the ball through the loop between your two fingers, forming a new loop.

2 Insert the needle upward in the loop on your thumb. Then with the needle, draw the yarn from the ball through the loop to form a stitch.

2 Insert the right needle from front to back into the first cast-on stitch on the left needle. Keep the right needle under the left needle and the yarn at the back.

2 Insert the right needle from back to front into the first stitch on the left needle. The right needle is now in front of the left needle and the yarn is at the front of the work.

3 Place the new loop on the needle. Tighten the loop on the needle by pulling on both ends of the yarn to form the slip knot. You are now ready to begin casting on.

3 Take your thumb out of the loop and tighten the loop on the needle. Continue in this way until all the stitches are cast on.

3 Wrap the yarn under and over the right needle as shown.

3 With your right index finger, wrap the yarn over the top around the right needle as shown.

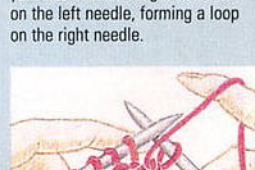

4 With the right needle, catch the yarn and pull it through the cast-on stitch.

4 Draw the right needle and the yarn backward through the stitch on the left needle, forming a loop on the right needle.

5 Slip the cast-on stitch off the left needle, leaving the newly formed stitch on the right needle. Repeat these steps in each subsequent stitch until all stitches have been worked from the left needle. You have made one row of knit stitches. To start the next row simply put the needle with stitches on it in your left hand, and the empty needle in your right hand.

5 Slip the stitch off the left needle. You have made one purl stitch. Repeat these steps in each subsequent stitch until all stitches have been worked from the left needle. You have made one row of purl stitches.

seaming To make an invisible side seam in a garment worked in stockinette stitch, insert the yarn needle under the horizontal bar between the first and second stitches. Insert the needle into the corresponding bar on the other piece. Pull the yarn gently until the sides meet. Continue alternating from side to side.

chain

1 A chain stitch is the next step after the slip knot. Wrap the yarn over the hook [yo—yarn over] and catch it with the hook.

2 Draw the yarn through the loop on the hook [ch—chain]. You have now made one chain.

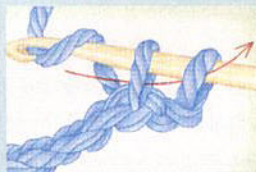

3 Repeat the process to make a foundation chain. When counting chains, do not count the slip knot at the beginning or the final knot on the hook.

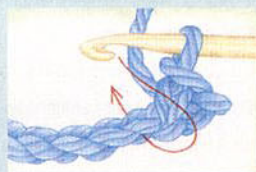

single crochet

1 Insert the hook through the top two loops of the second chain [ch] from the hook. Wrap the yarn over the hook [yo] and draw up a loop (now there are two loops on the hook).

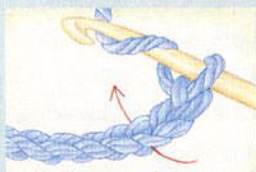

2 Wrap the yarn over the hook [yo] and draw through both loops on hook [sc—single crochet]. You have now made one single crochet.

3 Continue in the same manner, inserting the hook into each chain across. Work one chain [ch] (for the turning chain) for single crochet.

half double crochet

1 Wrap the yarn over the hook [yo]. Insert the hook through the top two loops of the third chain [ch] from the hook.

2 Wrap the yarn over the hook [yo] and draw up a loop (there are now three loops on the hook).

3 Wrap the yarn over the hook [yo] and draw through all three loops on the hook [hdc—half double crochet]. You have now made one half double crochet. Work two chains [ch] (for the turning chain) for half double crochet.

double crochet

1 Wrap the yarn over the hook [yo]. Insert the hook through the top loops of the fourth chain [ch] from the hook.

2 Wrap the yarn over the hook [yo] and draw a loop (there are now three loops on hook).

3 Wrap the yarn over the hook [yo] and draw it through the first two loops on the hook; wrap the yarn over the hook [yo] and draw through the two remaining loops [dc—double crochet]. You have now made one double crochet. Work three chains [ch] (for the turning chain) for double crochet.

glossary

bind off Used to finish an edge or segment. Lift the first stitch over the second, the second over the third, etc. (U.K.: cast off)

bind off in ribbing Work in ribbing as you bind off. (Knit the knit stitches, purl the purl stitches.) (U.K.: cast off in ribbing)

3-needle bind-off With the right side of the two pieces facing and the needles parallel, insert a third needle into the first stitch on each needle and knit them together. Knit the next two stitches the same way. Slip the first stitch on the third needle over the second stitch and off the needle. Repeat for three-needle bind-off.

cast on Placing a foundation row of stitches on the needle in order to begin knitting.

decrease (left slanting) Reduce the stitches in a row (that is, slip, slip, knit).

decrease (right slanting) Reduce the stitches in a row (that is, knit 2 together).

garter stitch Knit every row. Circular knitting: knit one round, then purl one round.

increase Add stitches in a row (that is, knit in front and back of stitch).

knitwise Insert the needle into the stitch as if you were going to knit it.

make one With the needle tip, lift the strand between the last stitch knit and the next stitch on the left-hand needle and knit into back of it. One knit stitch has been added.

make one p-st With the needle tip, lift the strand between the last stitch worked and the next stitch on the left-hand needle and purl it. One purl stitch has been added.

no stitch On some charts, "no stitch" is indicated with shaded spaces where stitches have been decreased or not yet made. In

such cases, work the stitches of the chart, skipping over the "no stitch" spaces.

place markers Place or attach a loop of contrast yarn or purchased stitch marker as indicated.

pick up and knit (purl) Knit (or purl) into the loops along an edge.

purlwise Insert the needle into the stitch as if you were going to purl it.

reverse-stockinette stitch Purl right-side rows, knit wrong-side rows. Circular knitting: purl all rounds. (U.K.: reverse stocking stitch)

selvage stitch Edge stitch that helps make seaming easier.

slip, slip, knit Slip next two stitches knitwise, one at a time, to right-hand needle. Insert tip of left-hand needle into fronts of these stitches, from left to right. Knit them together. One stitch has been decreased.

slip, slip, slip, knit Slip next three stitches knitwise, one at a time, to right-hand needle. Insert tip of left-hand needle into fronts of these stitches, from left to right. Knit them together. Two stitches have been decreased.

slip stitch An unworked stitch made by passing a stitch from the left-hand to the right-hand needle as if to purl.

stockinette stitch Knit right-side rows, purl wrong-side rows. Circular knitting: knit all rounds. (U.K.: stocking stitch)

work even Continue in pattern without increasing or decreasing. (U.K.: work straight)

yarn over Making a new stitch by wrapping the yarn over the right-hand needle. (U.K.: yfwd, yon, yrn)

three-needle bind-off

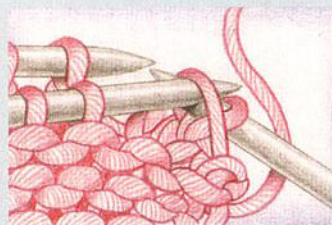

This bind-off is used to join two edges that have the same number of stitches, such as shoulder edges, which have been placed on holders.

1 Hold right sides of pieces tog on two needles. Insert third needle knitwise into first stitch of each needle and wrap yarn knitwise.

2 Knit these two stitches together and slip them off the needles. *Knit the next two stitches together in the same manner.

3 Slip first stitch on third needle over second stitch and off needle. Rep from * in step 2 across row until all stitches are bound off.

SEPARATE FOR V-NECK

Next row (RS) Work 23 (25, 27, 29) sts, join a 2nd ball of yarn and work to end. Working both sides at once, work even for 3 rows more.

SHAPE THE RAGLAN ARMHOLE

Dec row (RS) K1, ssk, work to end of first side; on 2nd side, work to last 3 sts, k2tog, k1.

Rep dec row every other row once more.

Next row (RS) K1, ssk, work to last 12 sts of first side, k2tog, k1 (neck dec), p3, 6-st RC; on 2nd side, work 6-st LC, p3, k1, ssk (neck dec), work to last 3 sts, k2tog, k1. Cont to shape raglan at beg and end of every other row for 8 (10, 12, 14) times more, also work 6-st RC and 6-st LC as established every 8th row—11 sts rem each side. **Next row (RS)** Ssk, work to end of first side, work to last 2 sts, k2tog—10 sts rem each side. Cont to work each side separately for $4\frac{1}{2}$ ($4\frac{1}{2}$, 5, $5\frac{1}{2}$)/11.5 (11.5, 12.5, 14)cm more. Bind off sts each side.

MAKE THE RIGHT FRONT SLEEVE

The sleeve for the front which is also the raglan cap "filler" is worked by picking up sts along the cable strip neck edge then worked down to cuff edge. Beg at the bound-off edge, pick up and k 16 (16, 18, 20) sts along the cable strip edge of the right neck.

Row 1 (WS) P3 (3, 4, 5), k2, p6, k2, p3 (3, 4, 5). **Rows 2-5** Work in pat as established. **Row 6** K3 (3, 4, 5), p2, 6-st LC, p2, k3 (3, 4, 5). **Rows 7 and 8**

Work in pat as established. Rep rows 1-8 until the left edge of the sleeve fits into the raglan seam edge of the front. Sl sts to a holder. Sew the side edge of the sleeve to the front raglan edge.

MAKE THE LEFT FRONT SLEEVE

Beg at the top of the raglan shaping, pick up and k 16 (16, 18, 20) sts along the cable strip edge of the left neck. Work as for right front sleeve.

MAKE THE BACK

Note The back piece has the sleeves knit in to fit the front sleeves along the shoulder edge.

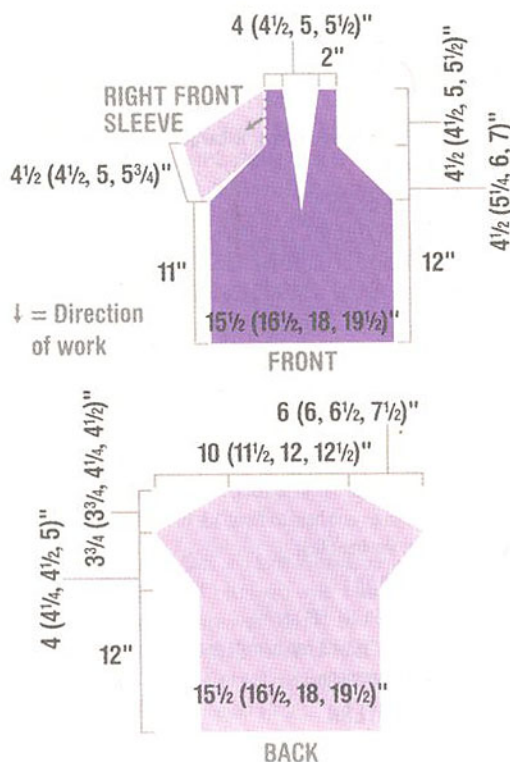

Cast on 46 (50, 54, 58) sts. **Row 1 (RS)** K3, * p2, k2; rep from * end k3. Work in k2, p2 rib as established for 3 rows more. Then, cont in St st until piece measures approx 12"/30.5cm from beg OR same length as front to raglan armhole.

MAKE THE BACK SLEEVE

Inc 1 st each side of next (RS) row then every other row 9 (9, 10, 11) times more—66 (70, 76, 82) sts. Work 1 row even. Bind off 2 sts at beg of next 18 (18, 20, 22) rows. Bind off rem 30 (34, 36, 38) sts.

FINISH THE PULLOVER

Sew the front sleeve sections to the front raglan edges. Sew the back sleeve extension and shoulder to the front sleeves. Sew side and underarm sleeve seams. For sleeve cuff, with circular needle, pick up and k 32 (32, 36, 40) sts around sleeves cuff edge. Join and work in rnds of k2, p2 rib for 4 rnds. Bind off in rib. □

Rep inc row every 4th row 5 times more—66 (70, 78, 84) sts. Work even until piece measures 10 ($10\frac{1}{2}$, 11, $11\frac{1}{2}$)"/25.5 (26.5, 28, 29)cm from beg.

SHAPE THE ARMHOLE

Bind off 3 sts at beg of next 2 rows, 2 sts at beg of next 2 rows. Rep dec row (as side seam) every other row 3 (3, 6, 7) times—50 (54, 56, 60) sts. Work even until armhole measures 7 ($7\frac{1}{2}$, 8, $8\frac{1}{2}$)"/18 (19, 20.5, 21.5)cm

SHAPE THE NECK AND SHOULDER

Bind off 5 sts at beg of next 6 (4, 2, 0) rows, 6 sts at beg of next 0 (2, 4, 6) rows, AT SAME TIME, bind off center 12 (14, 14) sts and working both sides at once, bind off 4 sts from each neck edge once.

MAKE THE LEFT FRONT

Note Read the following instructions carefully as there are several things being worked at the same time. With smaller needles and Wool-Ease, cast on 7 (9, 11, 14) sts. Working in St st, cast on at front edge (beg of WS rows) 2 sts 8 (8, 7, 7) times then cast on 4 sts 7 (7, 8, 8) times, AT SAME TIME, shape the side seam at beg of RS rows as on back (that is, work dec row on the 7th row, then every 6th row once, every 4th row 3 times, then inc 1 st as on back a total of 6 times), AT SAME TIME, after all front edge increases have been worked, shape the neck as follows:

SHAPE THE NECK

Double dec row (RS) Work to the last 4 sts, k3tog, k1. Rep double dec row for neck edge other row 3 times more. *Next dec row (RS)* K to the last 3 sts, k2tog, k1. Rep the last dec row 20 (21, 21, 22) times more, AT SAME TIME, when same length as back, shape armhole as on back. After all shaping is completed, there are 15 (16, 17, 18) sts. Work even until armhole measures same as back.

SHAPE THE SHOULDER

Bind off 5 sts from armhole edge 3 (2, 1, 0) times, 6 sts 0 (1, 2, 3) times.

MAKE THE RIGHT FRONT

Note The right front is shaped differently than the left front. With smaller needles and Wool-Ease, cast on 7 (9, 11, 14) sts. Working in St st, cast on at front edge (beg of RS rows) 2 sts 13 times, 4 (4, 5, 5) sts 2 times, AT SAME TIME, cont to work the side seam shaping at end of RS rows as for left front. Beg to shape neck at 4 rows after the last cast-on at front edge as follows:

SHAPE THE NECK

Dec row (RS) K1, SKP, k to end. Rep dec row every 4th row 5 times, every other row 13 (14, 14, 15) times. Cont to work as from left front, reversing shaping.

MAKE THE SLEEVES

With smaller needles and Wool-Ease, cast on 162 (168, 174, 180) sts. **Row 1 (WS)** [K3tog, yo] 53 (55, 57, 59) times, k3tog—107 (111, 115, 119) sts. **Row 2 (RS)** [K2tog] 53 (55, 57, 59) times, k1—54 (56, 58, 60) sts. Cont in St st, dec 1 st each side every 6th row 5 times, every 4th row twice—40 (42, 44, 46) sts. Work even until piece measures 8"/20.5cm from beg. Inc 1 st each side of next row, then every 6th (4th, 4th, 4th) row 6 (7, 8, 9) times more—54 (58, 62, 66) sts. Work even until piece measures 15"/38cm from beg.

SHAPE THE CAP

Bind off 3 sts at beg of next 2 rows, 2 sts at beg of next 2 rows. **Dec row (RS)** K1, SKP, k to last 3 sts, k2tog, k1. Rep dec row every other row 10 (12, 13, 14) times. Bind off 2 sts at beg of next 6 rows. Bind off rem 10 (10, 12, 14) sts.

FINISH THE JACKET

Sew shoulder seams. Sew side and sleeve seams. Set in sleeves. Lightly block the ruffled edges on the sleeve cuffs only.

MAKE THE LOWER RUFFLE

With larger circular needles and Wool-Ease Thick and Quick, cast on 194 (205, 227, 238) sts. **Row 1 (RS)** K7, [p4, k7] 17 (18, 20, 21) times. **Row 2 and all even rows** Work in pat as established. **Dec row 3** Ssk, k3, k2tog, [p4, ssk, k3, k2tog] 17 (18, 20, 21) times. **Dec row 5** Ssk, k1, k2tog, [p4, ssk, k1, k2tog] 17 (18, 20, 21) times. **Dec row 7** SK2P, [p4, SK2P] 17 (18, 20, 21) times—86 (91, 101, 106) sts. **Row 8** Work even in pat as established. **Row 9** Knit. **Row 10** Purl. **Row 11 (RS)** Purl. Bind off purlwise.

MAKE THE NECK RUFFLE

With larger circular needle and Wool-Ease Thick and Quick, cast on 154 (165, 176, 187) sts. **Row 1 (RS)** [P4, k7] 14 (15, 16, 17) times. **Row 2 and all even rows** Work in pat as established. **Dec row 3** [P4, ssk, k3, p2tog] 14 (15, 16, 17) times. **Dec row 5** [P4, ssk, k1, k2tog] 14 (15, 16, 17) times. **Dec row 7** [P4, SK2P] 14 (15, 16, 17) times—70 (75, 80, 85) sts. **Rows 8–11** Work as for lower ruffle.

Baste or pin lower ruffle in place, leaving 8 sts at left front increased edge free. At end of this point (marked A on schematic) make a center tie as follows: With crochet hook, join Wool-Ease to point and ch 12. Work 1 sl st in each ch, sl st to same point as joining. Sew on lower ruffle using Wool-Ease. Using photo as a guide, sew on neck ruffle with the edge on the right front sewn straight across the right front ruffle and the opposite edge on the left front sewn to

the shaped left front edge. Sew on one snap to the end of the left front tie and after pulling through the inner loop at the back waist, sew on corresponding snap to the left front. Using crochet hook and Thick and Quick, attach at point of right front neck (marked B on schematic) and ch 18, sc in each ch and secure to front. Make a corresponding ch 18 and sc tie at the left waist seam (marked C on schematic). For the fabric tie, seam the length of the piece by hand or machine at $\frac{1}{2}$ "/1.5cm from the edge. Turn seam to inside and press to form a flat piece. Fasten to front with small stitches. □

FINISHING

■ Block pieces to measurements. Sew shoulder seams. Set in sleeves. Sew side and sleeve seams.

COLLAR

Ruffle

■ With larger needles and Onyx, cast on 165 (165, 169, 173) sts. K 3 rows. Change to Ruby and P 2 rows. Beg with a k row, work in St st until the ruffle measures 3 7/8" (9.5cm) from beg. *Dec row (RS)* [K1, S2KP] 41 (41, 42, 43) times, end k1—83 (83, 85, 87) sts. P next row. Place sts on a holder.

■ Make another ruffle as before, but work it 1 1/2"/4cm long before the dec. Complete as before. Take both ruffles and face RS of both ruffles towards you, the shorter in front of the longer ruffle. K these two ruffles tog as foll: take 1 st from the short ruffle and 1 st from the long ruffle and k them tog with a third needle. Do the same with the rem sts—83 (83, 85, 87) sts. With Ruby, pick up 83 (83, 85, 87) sts evenly around neck; and in the same way as you worked the ruffles tog, work the sts from "merged" ruffles and the sts from around the neck tog—83 (83, 85, 87) sts. Purl the next row and dec by 1 st—82 (82, 84, 86) sts. *Eyelet row (RS)* [K4 (4, 5, 6), [yo, k2, yo, k10] 6 times, end yo, k2, yo, k4 (4, 5, 6)—96 (96, 98, 100) sts. *Next row (WS)* P3 (3, 4, 5), [p2tog, p1, p2tog, p9] 6 times, end with p2tog, p1, p2tog, p4 (4, 5, 6)—82 (82, 84, 86) sts. Cont in St st for another 2 rows and inc 1 (1, 2, 0) sts—83 (83, 86, 86) sts. Beg and end with k2, work in rib pat for 8 rows. Bind off in rib.

■ Cut ribbon in half. Use one half to weave into eyelets around the neck. Cut the second half in half again, and use each piece to weave into eyelets in sleeves and make bows. On the WS of the neck front opening sew button, and on the other side sew or crochet a loop for closure. □

One pair store bought cotton/lycra leggings

One size shown on page 41.

THE MEASUREMENTS

Width to fit around end of legging

Length of ruffles approx 2"/5cm

THE GAUGE

■ There is no gauge. To work with Ruffles insert needle into fabric approximately 1/8"/3mm from top edge, at 1"/25mm intervals along top edge of Ruffles.

MAKE THE RUFFLES

■ Cut 8 1/2"/22cm from bottom of both legs. Hold Ruffles at RS of

one leg, and pick up 25 sts around bottom edge as follows: insert tip of needle through fabric from back to front and into top edge of Ruffles. Pull this tiny loop of Ruffles through legging fabric to WS create st. Join to work in rnds and place marker for beg of rnds. Purl 8 rnds. Bind off very loosely, using entire strand of Ruffles to form sts instead of splitting the tape as usual. Work in same manner to finish second leg. □

FINISH THE SLIPPERS

Layer two slipper bottoms and one slipper top together, making sure ends match up. Using tapestry needle and Lion Wool, sew all pieces together. Leave opening at heel end for stuffing, if desired. Rep for second slipper.

Place slippers in washing machine set to hot wash/cold rinse with low water level. Add 1 tablespoon dishwashing detergent and ¼ cup baking soda at beginning of wash cycle. Repeat the cycle, if necessary, until slippers are felted to desired size (try on between washings). Block by stuffing toes with paper towel, shaping with your hands and letting them dry overnight. For extra cushioning, stuff with small amount of polyfiber stuffing and sew closed with coordinating colored thread. □
